

EU DECLARATION OF CONFORMITY

Product	Description
MAG2626SL, MAG4242SL, MAG4633SL, MAG4747SL, MAG5038SL, MAG5151SL, MAG6363SL, MAG7143M	MAGNUS hatch, appliance location area I / design category A

VETUS B.V. (manufacturer) hereby declares, under its sole responsibility, that the above products comply with the following relevant legislation:

EU legislation	Details
Directive 2013/53/EU	Recreational craft and personal watercraft requirements
Conformity assessment module(s)	B (+C)
EU notified body	0613 - Dutch Certification Institute
Certificate number	DCI-CE-2013/53-1741*01

Used (harmonised) standard(s)
ISO 12216:2002 Small craft - Windows, portlights, hatches, deadlights and doors - Strength and watertightness requirements

Note
VETUS strongly advises against the use of a MAGNUS hatch (e.g. as AI escape hatch) in the underside of a multihull. Due to the flexible nature of this type of craft, watertightness cannot be guaranteed unless the hatch is installed on a flat and non-flexible structure.
