

DECLARATION OF CONFORMITY - SUBSTANCES

VETUS B.V. hereby declares that all VETUS products comply with the following legislation:

Legislation	Details
Regulation (EC) No 1907/2006 (REACH)	Registration, evaluation, authorisation and restriction of chemicals Remark Products do not contain any substances of very high concern (SVHC) Exceptions: see Annex I
Directive 2015/863/EU (RoHS)	Restriction of the use of certain hazardous substances in electrical and electronic equipment Remark Products do not contain any hazardous substances above the specified limits
EU sanctions against Russian iron and steel	Prevention of the use of Russian iron and steel Remark Products do not contain Russian iron and steel
EU Regulation 1115/2023 (EUDR)	Prevention of deforestation Remark Products do not contain any of the products listed in Annex I, regardless of the quantity.
France's Ministry of Ecological Transition (MTES)	Specification of substances contained in mineral oils whose use is prohibited on packaging and for printing to the public Remark Products do not contain any of the prohibited substances
California Proposition 65	Requirements on the exposure of chemicals known to the State of California to cause cancer or reproductive toxicity Remark  CA WARNING: Handling recreational marine vessel parts can expose you to chemicals such as phthalates and lead, which can cause cancer and reproductive harm. To minimize exposure, service the vessel outdoors or in a well-ventilated area, wear gloves, and wash your hands. For more information see P65Warnings.ca.gov/marine-vessel-parts .
Regulation (EU) 2017/821 and US law	Section 1502 of the Dodd-Frank Wall Street Reform and Consumer Protection Act on conflict minerals Remark Products do not contain tin, tantalum, tungsten and gold from conflict areas
Toxic Substances Control Act (TSCA)	Restrictions for chemical substances and/or mixtures that pose "unreasonable risk" to human health or the environment Remark Products do not contain chemical substances and/or mixtures that pose "unreasonable risk" to human health or the environment

Remark

VETUS annually checks all products for the presence of substances of concern, based on feedback from its suppliers.
